

## ABIA Membership Application

1. I/We apply for membership of the Australian Battery Industry Association (ABIA)

2. I/We agree to be bound by the ABIA Constitution and Code of Practice which promotes:

- consistent and fair trading practices in the interests of the public, battery retailers and ABIA Members.
- battery performance claims be in accordance with the appropriate Australian Standard, enabling both the public and battery retailers to have a consistent basis for comparison of battery performance for all batteries supplied by Members.
- honesty in respect to country of origin claims on battery labels and advertising materials, specifically prohibiting the use of Australian maps or symbols on battery labelling for batteries not made in Australia.
- all warranties offered by Members comply fully with the requirements of the Australian Consumer Law (ACL).
- members encourage, and make available to their customers, recycling of batteries.
- all handling, storage and transport of new or recycled batteries meets the appropriate Workplace Health and Safety, Dangerous Goods and Environmental obligations.

### Annual Subscription Rate

The Annual subscription rate is based on total business turnover, including but not limited to batteries.
